Dear Sir,

Al Khalij Cement Company seeks quotations for the KILN Plant Up-gradation works as per the specifications and scope stipulated in our bid document.

Job Location: Al Khalij Cement Plant located in Um Baab, Qatar

The works involves the supply of material and required works for the KILN Up Gradation as per the Bill of quantities.

The contractor is requested to have a prior visit to the designated site for the construction to become familiar with the condition of the work areas, the structures, the vicinity and the free space available for doing the work and storage of materials of construction. Please confirm your schedule for the said visit to arrange with our engineering department.

In general the contractor should become familiar with all prevailing conditions and circumstances which may affect the manner in which he will perform his work.

The prices proposed by the contractor in the bill of quantities after his visit to the sites shall be considered to include all that is required to carry out the work under the local conditions and the foreseeable and unforeseeable expenses which will be required to complete the work.

Contractor must exercise full coordination with Al Khalij Cement Co. representatives at all stages of work.

TO ENABLE YOU TO SUBMIT AN OFFER, we will hand over the complete set of documents during your visit: Contractor requested to bring a USB to save the documents.

- A. General Contractor Obligations: KILN Up Gradation
- B. Civil Scope: KILN Up Gradation
- C. Mechanical Scope: KILN Up Gradation
- D. Electrical Scope of Work: KILN Up Gradation
- E. List of Drawings Enclosed
- F. General Notes & Specification of FLS
