Fax:

Dear Sir,

Al Khalij Cement Company seeks quotations for the upcoming AKCC COMPANY SHUTDOWN WORKS next month inside our cement factory as per the specifications and scope stipulated below and attached documents.

Job Location: Al Khalij Cement Plant located in Um Baab, Qatar

The contractor is requested to have a prior visit to the designated site for the construction to become familiar with the condition of the work areas, the structures, the vicinity and the free space available for doing the work and storage of materials of construction. Please confirm your schedule for the said visit to arrange with our engineering department.

The prices proposed by the contractor in the bill of quantities after his visit to the sites shall be considered to include all that is required to carry out the work under the local conditions and the foreseeable and unforeseeable expenses which will be required to complete the work.

Notes:

- Site Visit must be completed this week. Please confirm your date to coordinate with our engineering department.
- Contractor must exercise full coordination with Al Khalij Cement Co. representatives at all stages of work.
- Contractor to comply with the HSE Safety requirement of AKCC.
