QATAR SECURITY SYSTEMS COMPANY

QHSE POLICY

Qatar Security Systems Company is committed to provision of "Engineering, Design, Supply, Installation, Commissioning & Maintenance of Security Surveillance, Detection and Fire Systems" services with the aim of enhancing customer satisfaction, achieving zero lost time due to injury and zero environmental incidents.

The company will achieve this by:

- Implementing integrated management system in line with ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018 standards in the company;
- Ensuring that the services provided to its customers consistently meet or exceed their expectations;
- Application of a systematic approach to the identification of all health & safety hazards and risks in order to minimize injury and health hazards by effective risk control measures;
- Preventing injury or ill health arising from its products, services & activities, to the employees, sub-contractors, visitors & public;
- Preventing pollution to the environment with the use of non-polluting techniques and best practices;
- Committing to reduce/preserve natural resources;
- Consultation and participation of workers in its OHSMS;
- Establishing and striving to achieve measurable objectives;
- Continually improve the management system, processes and practices in all its activities, to the satisfaction of its stakeholders;
- Complying to all applicable legal and other requirements that QSS subscribes to; and
- Providing regular QHSE trainings to all our personnel in order to fulfill their responsibilities.

The policy shall be communicated to all persons working for, or on behalf of QSS. It will be made available to all interested parties by displaying in the company premises and publishing in website of QSS as well as other communication means.

QSS management shall review this policy periodically.

Date: 1st April 2019
